ORDER:

The petitioner seeks to issue a Writ of Mandamus declaring the

action of the 2nd respondent in interfering with the civil disputes of the petitioner, as illegal and arbitrary.

If the 2nd respondent interferes with the civil disputes of the petitioner, the said action is illegal and unsustainable and appropriate legal action requires to be taken against the 2nd respondent. But, the petitioner without making any representation before the higher officials of police, straight away seeking a Writ of Mandamus is not just and proper.

Accordingly, the writ petition is dismissed. There shall be no order as to costs.
